

WHO WE ARE

The Pascagoula Elks have contributed more than 2.5 million dollars to the community since its founding in 1908. We stand by the principals of charity, justice, brotherly love and fidelity. As part of our charity we give out multiple scholarships every year, and contribute to youth programs including providing clothing and food vouchers to underprivileged kids. We distribute Christmas baskets to the needy, We regularly make trips to the VA hospital to provide them with snacks and entertainment, treat them to steak dinners and even a yearly trip to the fair. Nationally the Elks provide the most scholarships outside of the federal government and spend millions per year helping veterans and local communities. We want to do more, and your sponsorship and/or entry into this event will help us do that. We thank you for your interest in our event and hope that you enjoy the tournament, while also enjoying the fact that in doing so, you are also helping out your local community.
